EOB5450AAX Built-in Oven

The same flexibility that busy chefs require

This oven offers you the same kind of flexibility that busy chefs require. It has a 74-liter capacity, the largest tray around and up to 9 shelf heights.

Straightforward control – with retractable knobs and start- and end-time selection

So dinner is always ready when you want it, this interface with LED display enables you to select the cooking end-time and duration. It has retractable knobs and push buttons for access to all settings.

Use every inch of space inside – everything will cook evenly

Thanks to the UltraFanPlus heating system with extra-large fan and air-guide design, your dish will cook completely evenly wherever you place it in the oven.

Features :

- Multifunction combines Ultrafan® fan cooking with other cooking functions, meaning you can choose the best setting to suit your cooking needs
- Ultrafan® Cooking
- Fan controlled defrosting
- Dual circuit economy variable grill
